

New Year's Eve Dinner Dance

A Tirohana tradition - an elegant evening in the Grand Marquee, nestled in the vines.

You will be 'piped in' by the bagpipes and welcomed to your table so you can relax and settle in or if the weather is kind, enjoy the sunny terrace with views across the vineyard.

Choose from a selection of our award-winning, hand-crafted wines produced from this boutique vineyard - or a little something from the full bar.

Your meal will be served at a leisurely pace throughout the night to allow you time to listen to the live band - dancing is encouraged, of course.

The piping in of the Haggis is a unique part of the event - try some with a wee dram of Scotch whisky!

Grab a glass of bubbly to toast the New Year and sing Auld Lang Syne with the band - here's to 2018...
